Benton House Nursing Home Details

The management and staff at Benton House Nursing Home are committed to providing a standard of care that embraces all the principles of excellent care home practices. The resident's physical and spiritual wellbeing is at the heart of our plan of care which ultimately enables each resident to reach their desired goals and level of fulfilment in life. We actively promote a happy working and living environment which is both professional, courteous and fun. We believe in respecting individual preferences whilst encouraging independence.

Benton House Nursing Home Activities & Information

We have a dedicated activity co-ordinator who is experienced in providing a varied and professional programme of 'things to do' and 'places to go'. Everyday our co-ordinator ensures that there is a full day of activities to include arts and crafts, music, exercise, baking, massage, beauty, scrabble, quizzes, shopping, local walks, news and world affairs, outings and entertainment. Promoting independence, fun and fulfilment is at the heart of this vibrant home. There is something for everyone and everyone is special at Benton House Nursing Home.
