## Greenleigh Care Home Details

The management and staff at Greenleigh Care Home are committed to providing a standard of care that embraces all the principles of excellent care home practices. The resident's physical and spiritual wellbeing is at the heart of our plan of care which ultimately enables each resident to reach their desired goals and level of fulfilment in life. We actively promote a happy working and living environment which is both professional, courteous and fun. We believe in respecting individual preferences whilst encouraging independence.

It is important to us to respect the variations in individual needs, interests, views, lifestyle, hobbies and personalities, and the staff will make this an inclusive part of an individual's plan of care.
