Trinity Court Care Home Overview

At Trinity Court our caring, skilled multi-disciplinary team provide a community-led rehabilitation and recovery service for adults with complex and enduring mental health needs. Placing the individual at the heart of their own care at all times, using person-centred and meaningful activities in our friendly environment, we support skills development, independence and responsibility to meet the needs of the individual in a bespoke, holistic approach to promote

Purpose built 15 bed specialist mental health service in Wolverhampton that supports the development of individual skills as well the long-term care needs of people with enduring mental illness, complex mental health needs, as well as forensic histories. Alongside specialist services, we will safely manage and support the transition from the intensive level of care in the institutional setting to increased independence and responsibility in a community setting, including those transitioning from Children's and Adolescent.

The team can support people on a CTO, conditional discharge from the Home Office as well as intensive, complex and personalised recovery pathways

The specialist service provision comprises of:

- 14 spacious ensuite bedrooms
- 1 independent living / Assessment flat
- Games Room
- Community based gym membership (if required)
- A community Allotment

Trinity court has a unique balance between clinical and non-clinical staff, with 24-hour nurse support as well as an interdisciplinary team comprising of Counselling Psychology as
